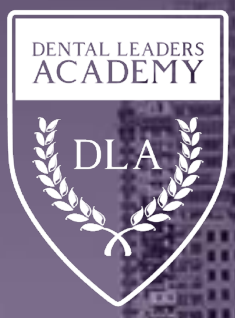
Linhart Continuing Dental Education Program

ADVANCED IMPLANTOLOGY AND PERIODONTOLOGY

PART OF CURRENT CONCEPTS IN AMERICAN DENTISTRY

A NEW YORK UNIVERSITY CERTIFIED PROGRAM



About this Program

Reading time for the entire document: less than 5 minutes.

Dental Leaders Academy is an exclusive partner of the NYU - Dentistry Linhart Continued Dental Education Program for several countries in Eastern Europe and the Middle East. This partnership allows your practice to become a clinical outpost of American dentistry, validated by NYU, a crucial edge in the competitive private healthcare market.

Scientific Program:

The scientific and educational content of this program is both unique and dynamic, designed specifically around the American education system. Each module is adjusted based on feedback from participants in the previous module, creating a personalized learning experience for every class. This approach ensures that each session is highly tailored and effective. By using an adaptable structure, all participants receive a program that meets their individual learning needs, without the limitations of a rigid, predefined, and potentially unsatisfactory format.

Key Benefits:

1. **Strategic Investment**: Recover your investment before the program ends.
2. **Personal Branding**: Enhance your brand and connect with global dental elites, boosting your credibility and patient cooperation.
3. **Patient Engagement**: Graduates attract cooperative patients, leading to more complex and profitable treatments.

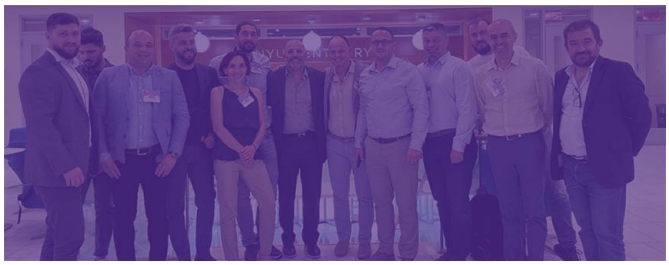
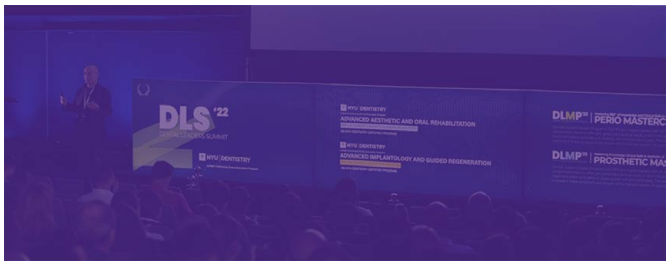
Attendance

Four (4) sessions are required of which thre (3) sessions must be attended at New York University College of Dentistry in New York City. The additional session will be completed at Dental Leaders Academy Programs. Participants are encouraged to complete the program in a timely fashion recommended not to exceed two (2) years.





Upon successful completion of all program requirements, a certificate of achievement will be awarded by the Linhart Continuing Dental Education Program at New York University College of Dentistry. Please note that this certificate program is not applicable to any formal degree program but is an acknowledgement of the participant's commitment to professional growth and development. The final decision on meeting all requirements is the responsibility of the Assistant Dean for Continuing Education.
