

DLA Sales Brochure

Target audience

This course expands clinical perspectives for managing complex cases. It is designed for leaders or aspiring leaders of teams who plan and manage complex treatment strategies. It's ideal for dentists seeking practical insights and valuable tips from experts who have succeeded in highly competitive markets like the American one.

The program is also perfect for young dentists aiming to build a trustworthy professional image. This experience will not only boost their confidence but also enhance the trust their patients place in them.

CONFIDENTIAL

About this program

Participants are required to attend four (4) sessions, each lasting 4 days, at New York University College of Dentistry in New York City. It is recommended to complete the program within three (3) years, but an extended timeframe of up to 4 years is allowed, with an additional fee applicable for the remaining modules.

Leverage points

Exceptional Cost/Value: A cost-effective program that includes 4 modules of elite-level education and offers over 80 CDE international credits.
Unmatched Recognition: The most reputable course validation available in this region.
Prestigious Certification: Earn a highly respected certification from NYU College of Dentistry, which stands above any other in this part of the world.
A Career-Defining Investment: This program is more than just an educational course; it is an investment in your lifelong success as a leading dental professional.
U.S. Visa Support: Full support will be provided, including an invitation letter for both the participant and their companion.
