
DLA Sales Brochure
CONFIDENTIAL

Target audience

Every doctor in your community who seeks professional growth and recognition among peers and patients is a potential member. Our shared objective is to register as many doctors as possible through each agent. Once a doctor signs up using an affiliate code, they will remain under the portfolio of that referring agent. The agent will then earn commissions for all future enrollments made by that doctor, provided these enrollments are completed directly on the website.

Key selling points

- Access to 32 courses led by top speakers at just $3 per course.
- Addition of a minimum of 12 more online courses of equivalent quality throughout the year.
- Receipt of a Certificate of Appreciation from National Leaders in Continuing Dental Education.
- Exclusive discounts on select programs.
- Members-only installment payment options.
