

DLA Sales Brochure

Target audience

This course expands clinical perspectives for managing complex cases. It is designed for leaders or aspiring leaders of teams who plan and manage complex treatment strategies. It's ideal for dentists seeking practical insights and valuable tips from experts who have succeeded in highly competitive markets like the American one.

The program is also perfect for young dentists aiming to build a trustworthy professional image. This experience will not only boost their confidence but also enhance the trust their patients place in them.

CONFIDENTIAL

About this program

The program requires four sessions in total, with three sessions of five days each held at New York University College of Dentistry in New York City. The additional one session will be completed through Dental Leaders Programs. Participants are encouraged to complete the program within two years for the best experience. However, completion is also allowed within a maximum of three years, with an additional fee applicable for the remaining modules beyond the two-year timeframe.

Leverage points

Exceptional Cost/Value: A cost-effective program that includes 4 modules of elite-level education and offers over 80 CDE international credits.
Unmatched Recognition: The most reputable course validation available in this region.
Prestigious Certification: Earn a highly respected certification from NYU College of Dentistry, which stands above any other in this part of the world.
A Career-Defining Investment: This program is more than just an educational course; it is an investment in your lifelong success as a leading dental professional.
U.S. Visa Support: Full support will be provided, including an invitation letter for both the participant and their companion.
